**POSITIVE PROFIT ALERT**

This announcement is made by GME Group Holdings Limited (the “**Company**”) and its subsidiaries (collectively referred to as the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong). Reference is made to the annual results announcement for the year ended 31 December 2023 of the Company published on 21 March 2024 (the “**Annual Results Announcement**”).

The board (the “**Board**”) of directors (the “**Directors**”, each a “**Director**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Board and the unaudited consolidated management accounts of the Group for the six months ended 30 June 2024 (“**6M2024**”), the Group’s unaudited gross profit margin, and profit and total comprehensive income attributable to the owners of the Company (the “**Net Profit**”) for 6M2024 are expected to be no less than 15.0%, and HK\$50,000,000, respectively, as compared with the unaudited gross profit margin and unaudited Net Profit of approximately 7.9% and approximately HK\$4,176,000 for the six months ended 30 June 2023, respectively.

The increases in gross profit margin and Net Profit for 6M2024 are mainly attributable to the positive progress made on construction works of the Newly Awarded Contracts (as defined and disclosed in the Annual Results Announcement) for the Group’s tunnel construction services which generally have higher profit margin, based on surveys of work completed by the Group with the customers to date.

The Company is still in the process of finalising the consolidated financial statements of the Group for 6M2024 (the “**Interim Results**”). The information contained in this announcement is based solely on the preliminary assessment of the Board with reference to information currently available (including the unaudited consolidated management accounts of the Group for 6M2024 which have yet to be reviewed by the audit committee of the Board), and may be subject to change. The Interim Results may therefore differ from the information contained in this announcement. Shareholders and potential investors are advised to read carefully the announcement for the Interim Results which is expected to be published by the end of August 2024.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**
